highly appropriate that manufacturers of school furniture should be on the Republican side, especially this year, when the Democracy are running an anti-school house candidate for Governor.

—The Trayser Piano Co., and the Hoosier Organ Company, of Centreville, have secured the vacant room in Lyceum Hall building, and will fit it up for offices and ware-rooms, taking possession some day next week. Prof. Rhu, our new music teacher, will have his headquarters, in the rear of the same room.

—The October number of the *Earlhamite* will be issued to-morrow. This year A. W. Macy occupies the editorial chair,—a position not altogether new to him, as
